CHRIST IS RISEN!!!

"Do not fear, I have defeated the world... and behold, I am with you until the end of time!"

Our Dear Spiritual Children,

The Holy Gospel teaches us that God is love, that out of love, He created the world and man and that "He gave His Only-begotten Son so that everyone that believes in Him would not perish, but would have eternal life!" In this time, when we bring to life the memory of the most joyous and most important event in the history of mankind, the holy and glorious Resurrection of our Lord and Savior Jesus Christ, we remember the above mentioned words of the Apostle Paul. After His glorious Resurrection, the Savior said: "And behold, I am with you until the end of the world." Here is hope and comfort for all. The resurrected Lord is with us! In regard to these words of Christ, our Vladika Nikolaj writes: "I have defeated! I am with you! O Serbs, listen to these words and repeat them every day to yourselves and to your children, and ingrain them in your hearts, and write them in your homes..."

In the spirit of this message and in the joy of the Resurrection, we address you, our dear faithful, with prayer to our Resurrected Lord, that

He helps all of us in the understanding of His lofty Teaching. We pray that we understand all that is useful for the soul and that He helps us to not be bothered in mind by the everyday noise of life. In this way, we are able to comprehend how this passing life and the pleasures it presents us are temporary. Also, so that we may realize that it is easier for us to give attention to our spiritual growth -caring for our soul. "What is it worth for a man to gain the whole world but to lose his soul," says the Lord. Let us come to our churches regularly with our children, because the church is the source of wisdom and the best teacher.

May the all-conquering resurrectional greeting "Christ is Risen!" encourage, strengthen and enlighten us all! May it give us strength to walk uprightly through this world, which ever more often reminds us of a desert in which an oasis is difficult to find. May the Comforter comfort the bereaved and the One Who Resurrects resurrect hope for better days! "Do not fear, for I have conquered the world!"

Christ is Risen!

ХРИСТОС ВАСКРСЕ

„Не бојте се, ја победих свет“! И ево ја сам с вама до скончанија времена“

Драга наша децо духовна,

Свето јеванђеље нас учи да је Бог љубав, да је из љубави створио свет и човека и да је „дао Сина свога јединороднога да сваки који у Њега ве-рује не погине, него да има живот вечни“. У ово време, када оживљавамо успомену на најрадоснији и најважнији догађај у историји рода људског, свето и славно Васкрсења Господа и Спаса нашега Исуса Христа, сећамо се и горе наведених речи светог апостола Павла. По свом славном Васкрсењу Спаситељ је рекао: „И ево ја сам с вама до скончанија света“. Ево наде и утехе за све. Васкрсли Господ је са нама. Наш владика Николај у вези са овим Христовим речима пише: „Ја победих, ја сам с вама! Чујте ове речи, Срби, и понављајте их сваки дан себи и деци својој, и урежите их у срца своја, и испишите их на домовима својим“...

радости због Васкрсења, обраћамо вам се, драги наши парохијани и пријатељи, с молитвом Васкрслом Господу, да свима помогне у разумевању узвишене науке Његове. Да разумемо све што је душекорисно. Нека нам помогне да у вреви свакодневнице не сметнемо с ума да је овај свет пролазан као и да су задовољства која он пружа само привремена. Разумевајући то, лакше ће нам бити да посветимо пажњу духовном узрастању своје - бризи о својој души. „Шта вреди човеку ако цео свет задобије а души својој науди“, каже Господ. Долази-мо редовно у наше свете храмове са децом својом јер је храм извор мудрости и најбољи васпитач.

Нека свепобедоносни васкршњи поздрав: „Христос Воскресе“!, све охрабри, ободри и умудри! Нека нам да снагу за усправно ходање кроз свет, који све више подсећа на пустињу у којој се оаза тешко налази. Нека уцвељене утешу Утешитељ и у свима васкрсне наду на боље дане Васкрситељ! „Не бојте се ја победих свет“!

Лов на васкршња јаја је занимљива васкршња традиција. Концепт је једноставан. Старија особа сакрије васкршња јаја по разним деловима дворишта где ће их деца тражити, и када их пронађу, стављаће их у корпице. **Три васкршња јајета ће имати награду која ће се налазити унутра.**

Stewardship

Stewardship Is...

It is difficult to teach or practice stewardship, unless we have a clear understanding of exactly what stewardship is. If we wish to embrace stewardship, we must gradually learn to embrace every definition or aspect of stewardship.

- **Scripture Based** All of the teachings of stewardship come directly from the Gospels, the Old Testament and the letters of the New Testament. Stewardship is not a new fad, or environmental word. Stewardship is the way God has expected His people to live since the beginning of time.

- **Dependence on God** Stewardship is recognizing that everything we have is a gift from God. We can take credit for nothing. Everything we have and everything we do is a result of some gift that God has placed into our hands.

- **Gratitude** Stewardship is living a life of gratitude – taking the time every day to recognize the gifts that God has given and to be grateful for them.

- **Giving Back** Stewardship is returning a

portion of our gifts to God. The gifts we return are our time, our talent and our treasure. We return these gifts not because God or our Church needs them but because we feel an overwhelming need to show our love and gratitude to God.

- **Transformative** Stewardship is transformative. Once we embrace the stewardship message it changes the way we look at every decision we make. Stewardship becomes a total way of life.

- **A Love Response** Once we allow God to truly take up residence in our hearts we become so overwhelmed by His abundant love for us that we just naturally feel the need to join our lives with Him and dedicate our time, talent and treasure to carrying out God's work here on earth. Our generosity comes from within and not from any external pressure or reward.

- **Proportionate Giving** Stewardship calls us to realize that each of us is called to give as God has given to us. We no longer base our giving on what others are giving. We no longer excuse ourselves from giving because we do not see others giving. Rather we give in proportion to all that God has given to us.

Easter Egg Tradition Egg Hunting

Easter Sunday April 12th, 2015

Egg hunts are a fun traditional part of Easter. The concept is a simple one. A designated adult will scatter the eggs around various parts of the area where the children will be hunting them. The children will then hunt all the eggs and put them in their basket.

Three of many eggs will have a price.

ДОБРО НАМ ДОШЛИ!

Имамо особиту част да Вас, вашу фамилију и ваше пријатеље позовемо на прославу ВАСКРСА априла 12, 2015.г. у нашој Цркви Св.Ђорђа.

Наше парохијани Радмила и Ђо Карфора са децом ће припремити укусан ручак који ће се сервирати у црквеној сали у 1 сат после подне.

Ми вас молимо да се потрудите и дођете на ову свечану прославу.

Ништа нас више неће задовољити него видети пуну цркву и салу са породицама окупљених на заједничкој молитви и ручку.

Бићемо захвални свима који буду показали подршку цркви својим присуством на светој Литургији и заједничком Васкршњем ручку.

WELCOME

Dear Parishioners and Friends,

We have the great pleasure to invite you and your family and friends to the EASTER Celebration on Sunday, April 12th, 2015 at our St. George Church.

A delicious Luncheon will be prepared by Radmila & Joe Carfora with children and served at 1:00 p.m. in the Church Hall.

We encourage each of you to make every effort to come for this event.

Nothing would please us more than to see the church brimming full with entire families gathered in prayer.

We would greatly appreciate everyone showing their support for Church by attending the Easter Banquet following Holy Liturgy Service on Sunday, April 12th 2015. Thank you.

EASTER EGGS

On Easter Day, the faithful greet each other with "Hristos Voskrese" (Christ is Risen), and "Vaistinu Voskrese" (Indeed, He is Risen!), and exchange red or brightly colored eggs. (Only the women of the household customarily colour the eggs).

According to tradition, Mary Magdalene having arrived in Rome to explain Christ's Resurrection to Emperor Tiberius, bestowed upon him the gift of a red egg. »For, the egg in and of itself is a dead thing, but under the influence of the warmth it receives under the hen, life develops within it and a live chick hatches from it, the chick having the strength to escape its tomb - the shell and enter the world - just as Jesus revived His dead body and rose from the grave. Red is the colour of joy, because of this joyous event.

There is another variant of this traditional story: Mary Magdalene took a small basket of eggs to the city with her and met Pontius Pilate on the street. She bravely approached him and greeted him with the words: »Hristos Voskrese« (Christ is risen!). Pilate was surprised - but was not persuaded. Mary Magdalene repeated the same greeting to him. Pilate, looking at the eggs in the basket, said: »If these eggs turn red - I'll become a believer!« He had barely finished uttering these words when both Pilate and Mary Magdalene saw that the eggs in the basket had indeed turned red.
