Dear Parishioners,

Hebrews 13:8 -- Jesus Christ is the same yesterday and today and forever

Greetings in the Lord!

We are pleased to send you the 2013 Stewardship Commitment Card. As faithful Stewards of God's creation we need to be reminded of our continual commitment to Jesus Christ and His Holy Church. Our commitment of Time, Talents and Treasures is just a small sign of appreciation to our Lord who blesses us daily with His Divine gifts.

May your commitment to the **St. George Church** be made willingly, lovingly and prayerfully as we embark on a long spiritual journey in the upcoming year.

Enclosed, please find the following:

Stewardship Commitment Card for 2013

Stewardship Overview

It is very important that we complete our Stewardship Commitment Card every year. This will help us create our budget for 2013 more easily and effectively. Additionally, it will assist us in creating a database of all volunteers who commit to their Orthodox Stewardship through Time and Talents.

Should you have any questions regarding Stewardship, we encourage you to contact your parish priest. We will make our efforts to make personal visits to your home and discuss various Stewardship needs of our Church.

We also take this opportunity to wholeheartedly thank all our parishioners who made their Stewardship Commitment in previous years. God grant you many years!

Yours in Christ,

Very Rev. Petar Petrović
